

2 Mache dich, mein Herze, rein (Make yourself pure, my heart)

NBA65 B-Major 12/8 (R)Oboe da caccia I Violino I –(Bass)- (L) Continuo Organo

○Characteristic phrase for the left Continuo Organ

○Generally speaking, the right hand play melody and the left accompanies it. For an appropriate sound balancing, play as if you hold a cream puff in the right hand while an apple in the left hand,

○For the 48th to 49th bars two arrangements are prepared. The draft was a plan A, where the second violin and the continuo organo were traced. We chose the second, where the bass sound is prioritized and the first violin is accompanying. Compare them and adjust them if you wish.
